

LEASE

LEASING A FROST FAN THROUGH AN OPERATING LEASE PROVIDES CLEAR ADVANTAGES.

- Does not require a company to raise the money to fund an asset outright, or up-front, but spread the cost over an agreed time horizon.
- Get the latest technology for as little as \$1,170.00 per month. (+GST)
- Fixed cost per month.
- Flexible lease term. (minimum 3 years)
- Fully insured.
- Warranty for the entire term of the lease.
- Includes all annual servicing.
- Fully tax deductible.
- No need to tie up your valuable capital.
- Hassle free.

| | LEASED | OWNED |
|----------------------|--------|-------|
| Insurance paid | ✓ | ✗ |
| Regular service paid | ✓ | ✗ |
| Extended warranty | ✓ | ✗ |
| No capital tied up | ✓ | ✗ |

Frostfan leasing is a cost-effective business option, use it for a fixed period of time, or upgrade regularly.
